THE MINISTER OF STATE IN THE MINISTRY OF ENVIRONMENT AND FORESTS (SHRI NAMO NARAIN MEENA): (a) and (b) The developmental activities including industrial and construction projects in the Draft Environment Impact Assessment Notification issued on 15th September, 2005 inviting public comments and suggestions have been classified into Category A, Category A/B and Category B based on scale and severity of potential Environmental Impacts at the proposed location.

(c) The provisions for public hearing procedure in the Draft Environment Impact Assessment Notification has not been relaxed. However, the public consultation process has been structured with clear safeguards against delays.

(d) No, Sir.

(e) No, Sir.

(f) Does not arise.

Shrinking of forests

†3724. MS. SUSHILA TIRIYA:
SHRI MOTILAL VORA:

Will the Minister of ENVIRONMENT AND FORESTS be pleased to state:

(a) the extent to which the forest area is shrinking each year in the country alongwith the details of area deforested during last five years, State-wise;

(b) the area of land on which plantation has been made to extend forest cover during each year of last three years, State-wise;

(c) whether Government have taken any concrete steps to check the environmental imbalance;

(d) if so, the details thereof; and

(e) if not, the reasons therefor?

†Original notice of the question was received in Hindi.

THE MINISTER OF STATE IN THE MINISTRY OF ENVIRONMENT AND FORESTS (SHRI NAMO NARAIN MEENA): (a) As per forest cover assessment of the country made by the forest Survey of India (FSI), the forest cover of the country is not shrinking. FSI assesses the forest cover of the country once in two years and the results are published in 'State of Forest Report (SFR)'. As per the last three SFR's based on statelite data of 1998, 2000 and 2002 respectively, the forest cover of the country has shown an increase as given in Statement-I (*See* below)

(b) The Ministry of Environment and Forests in implementing National Afforestation Programme (NAP) Scheme for regeneration of degraded forest and adjoining areas in the country. The scheme is being implemented through a two-tier decentralized mechanism of Forest Development Agency (FDA) at Forest Division level and Joint Forest Management Committies (JFMCs) at village level. The project area is treated as per the microplan formulation for the JFMC area. As on 31.03.2006, 715 FDA project have been approved in 28 States to cover a project area of 9.24 lakh hectare through 23,750 JFMCs. State-wise area covered during the last three year (2003-04 to 2005-06) is given in Statement-II (*See* below)

(c) to (e) The Ministry of Environment & Forests is taking the following steps to check environmental imbalance:

(i) Implementation of Plan Scheme on Environmental Impact Assessment to assess the impact of various development projects on the environment and the enforcement of the related regulatory framework provided by the Environment Impact Assessment (EIA), Notification, 1994.

(ii) The Ministry has adopted a policy for abatement of pollution, which provides multipronged strategies in the form of regulation, legislations, agreements, fiscal incentives and other measures to prevent and abate pollutions.

(iii) To give effect to various measures and policies for pollution contol, steps have been initiated which include stringent regulations, development of environment standards, control of vehicular pollution,and spatial environmental planning etc.

(iv) The ministry is the nodal agency for all multilateral environmental agreement and is coordinating international cooperation and sustainable development issues.

(v) For the purpose of conservation and protection of the coastal environment the Ministry has isued the Coastal Regulation Zone Notification, 1991 under which all developmental activities within the Coastal Regulation Zone (CRZ) area are regulated.

(vi) Strict enforcement of Indian Forest Act, 1927, Wildlife (Protection) Act, 1972, Forest (Conservation) Act, 1980 and Environment (Protection) Act, 1986 and the rules and guidelines made thereunder.

(vii) Management measures like working of forest according to approved Working Plants, Forest Development Agencies and Joint Forest Management activities.

(viii) Financial measures like providing assistance to the States/Union Territories under Centrally Sponsored Schemes and Externally Aided Projects.

(ix) To promote environment education through existing educational/ scientific research institutions.

Statement-I

Extent of Forest Cover during last five years
